Custom one level living home on OT golf course features glorious mountain views! Enjoy dining outdoors on the wide patio as you watch the sun set. Gleaming hardwoods and neutral paints shine throughout the first floor of this move-in ready home. Entertain in the large great room wired for surround speakers, w stunning stone fireplace. Kitchen is a bakers dream with large open granite workspace, and stainless appliances. Spacious owner suite features two walk-in closets and large bathroom with double vanity, soaking tub, and walk-in shower with rain head. Formal dining room, home office/bedroom and large second bedroom with full bath on 1st floor too! Upstairs, a large loft space with 3 skylights opens to 2 oversized bedrooms and full bath.
